

Initial Impressions...

1. Who do you predict will be the **protagonist** of the novel? What are your reasons for believing so?
2. Choose **THREE** adjectives that accurately describe this protagonist's personality thus far. For **each** adjective, write down a quotation from the text that supports that adjective.
3. Compose **THREE** questions about today's reading. These should be thought-provoking, open-ended questions (These should not be "yes or no" questions OR questions that have one right answer.)
