

# Fall 2009: My Semester in Review

Last year, I gained...

I lost...

I stopped...

I started...

I was hugely satisfied by...

And frustrated by...

Once again, I...

Once again, I did not...

The biggest physical difference between me last December and me this January is...

The biggest psychological difference is...

I loved spending time...

Why did I spend even two minutes...

I should have spent more time...

I...way too much

I didn't...enough

...drove me crazy

...made me happy

The greatest place I went to was...

The best thing someone else did for me was...

The best thing I did for someone else was...

The best thing I did for me was...

The one thing I'd like to do again, but do it better, is...
