

Name: _____

English 12: British Literature and Composition
Self-Assessment of Etymology PowerPoint Project

Describe your own involvement in the research and preparation of your group’s presentation. What did you contribute to the analysis of the similarities of the words in assigned lists and creation of PowerPoint?

How focused were you during your group’s time for research and preparation?

Explain what you have learned from your work on this project. Be specific in expressing what you understand about your words, their origins, and their similarities.

Discuss your participation in your group’s presentation.

What could you have done better during group work? How could you improve during presentation?

group members (including self)	points	strengths and/or weaknesses (Explain on back on page.)
